## HOBBIES

- Skiing/Mountain Biking
- Running/Trail/Climbing
- Video/Board Games
- Music/playing Guitar

# IGOR WINANDY

Passionate about problem-solving, I seek to create software solutions that are both high-performing and well-designed. My intensive C/C++ training at 42 School gave me the tools, while my professional background taught me how to analyze complex systems in order to improve them. I bring a structured approach, an understanding of business challenges, and a strong drive to take on ambitious projects.

## WORK EXPERIENCE

- TMF Luxembourg** 2023 - 2024  
Payroll Officer
  - Managed payroll for a diverse client portfolio, ensuring data accuracy and compliance with local regulations.
- SD WORX** 2020 - 2023  
Junior to Payroll Consultant
  - Rapidly progressed from Junior to Consultant, leading digital transformation initiatives to streamline administrative procedures and implement email-based control systems within my team.
- Luxembourg Armed Forces** 2018 - 2019  
Voluntary Soldier
  - Delta division, Advanced training
  - Driver for the Grand Ducal Court
  - Alpha division - National Guard
- Maison des sciences (ASBL)** 2014 - 2018
